

Series: Ongoing notes on curing the side effects of antipsychotic medications( allopathic medicines)

Subtitle: Dealing with 50mg Risperidal Consta Part 1

BismillahirRahmaanirRaheem

25<sup>th</sup> July after 10am 2023

1. Having to deal with rare or undetectable/ undecipherable/ misunderstood/ ununderstandable/ non-understandable side effects is extremely spiritually testing/ tasking.
2. For those who believe in, or for those considering to embrace the eternal religion of Islaam, there reaches a point when one realises that only Allah can help
3. Whatever help a person, or group provide you; in whatever scope or capacity, one must educate themselves on at least some of the nitty gritty of the work they are doing, in order to better inform yourself, to aid your own personal, tailor-made holistic plan- supported by none

other than Allah 'Azza wa jal, Subhaana wat aa 'aala, Wa  
Allahu A'lam
